**Description :** National bestseller! This guide is the real deal. 10 Real SATs, 3rd Edition The only test-prep manual with actual SAT questions cover to cover. 10 Real SATs has everything you need to get ready for the SAT I: Reasoning Test. In addition to the latest tests--only available here--you get tips and strategies from the test makers. With lots of practice and sample questions, 10 Real SATs gives you an insider's look at how to answer every kind of question on the test. It also includes a special review chapter for the Writing Skills section of the PSAT/NMSQT.

"It's the one book I couldn't have done without!"--Diana Hong, Freshman, University of Pennsylvania  
"This book is an excellent way to gauge your abilities and show you how well you would do. I highly recommend this book to anyone taking the SAT I."--Do-Wei Lein, High School Student, Customer on bn.com  
"An excellent source. There's no substitute for practicing on real SAT questions. Our students have gained confidence as well as real SAT points."--Don Feldhaus, Director of College Counseling, Iolani School, Honolulu, Hawaii  
"I used 10 Real SATs to prepare for my SAT. Not only did it improve my test-taking skills but it gave me additional confidence knowing that it came from the makers of the SAT. I knew exactly what

to expect when I went to take the test, and that made a big difference that showed in my results."--Guy Oliphint, Freshman, University of Texas at Austin."The book was so useful I passed it along to other friends to help them do well on the SATs. Thanks, 10 Real SATs!!"--Emma Kofa, Junior at Cornell University, Ithaca, New York"This is the only book I recommend with complete confidence to anyone preparing for the SAT. . . . the College Board has provided a real service to students, parents, and educators."--David R. Hubin, Executive Assistant President, University of Oregon, Eugene.
