About the Author Dr. Steve Warner is a mathematician and test prep expert who has been tutoring students in mathematics for standardized tests since 1999. During this time Dr. Warner has used the feedback from thousands of students to develop a unique system that can be used by anyone to drastically improve his or her math score in a very short period of time. In 2012, Dr. Warner founded "GET 800" whose goal it is to provide inexpensive SAT math preparation for students who cannot afford to pay \$375 per session for one on one tutoring from a test prep expert. GET 800 offers 6 SAT math prep books, and a free 12 part email course that is customized for each student based on their PSAT/SAT math score. Dr. Warner works with students individually and in group settings, he tutors both live and over video conferencing and he offers free materials in the form of his blog, his YouTube channel, and his Facebook page where he provides test prep advice and answers student questions.
