Description : College-bound students will find intensive test-taking practice for the all-important SAT in this brand-new book. They'll find everything they need to ace the test, including: Six full-length practice exams similar in length, structure, question type, and degree of difficulty to the new 2016 SAT All questions answered and explained Self-appraisal information for scoring the SAT essay question Test-taking tips and strategies that will help students use this book to their best advantage in order to maximize their scores This book offers excellent SAT test preparation when used alone, and also makes a fine companion volume for test takers who purchase Barron's New SAT, 28th Edition (978-1-4380-0649-9).

About the Author Philip Geer lives in Singapore where he directs Mentours, an educational consultancy that prepares students for the SAT, GRE, and other standardized tests. From 1978 until 2001 he taught English for the Singapore Ministry of Education at the junior college level. Stephen Reiss operates the Math Magician and the Reiss SAT Seminars, both of which are test preparation centers serving California

students.
