**Description :** Students who are focusing on getting an exceptionally high or even perfect score on the SAT will want to get their hands on this guide. Barron's SAT 1600 is based on the new Spring 2016 SAT test. It takes students beyond standard test prep exercises, reviewing the rigorous coursework that serves as a foundation for the new kinds of questions and presenting novel and effective strategies for tackling the SAT's hardest questions. The book's major features include: Extra practice and review in all math topics Detailed discussion and examples of the new types of math problems Upper-level vocabulary lists to bring students' word power up to college standards Comprehensive answer explanations for every question in the book A complete SAT test The book can be purchased alone or with an optional CD-ROM that presents a full-length practice test with answers, explanations, and automatic scoring. Many test takers have told Barron's about their satisfaction with this manual's earlier editions, finding helpful test-taking tips and welcoming the book's special focus on the SAT's most difficult questions. This timely new edition is now better than ever!
