A no-nonsense narrative approach that allows all students, including those with learning disabilities, to accomplish what once felt impossible: writing a strong and compelling essay. *Homework Helpers: Essays and Term Papers* [is] an invaluable resource for students from middle school through college. Christine Fonseca, MS, PPS, school psychologist and author of *Emotional Intensity in Gifted Students* What Michelle McLean has done in *Homework Helpers: Essays and Term Papers* has singlehandedly demystified the writing process in a series of succinct chapters that are informative, clear, and, in many cases, downright funny. This book would be a good companion to the MLA text in any college bookstore, and I would recommend it to my colleagues as an alternative to the stuffy and overwritten texts currently in use.
