Description : Updated to reflect recent government procedures and regulations, this manual offers extensive groundwork in reading, speaking, and writing English, plus reviews of United States history and government topics. In addition to subject reviews in these test areas, prospective U.S. citizens also get important information on citizenship application procedures, up-to-date examples that instruct on correctly filling out the various application forms, and a general guide to the citizenship application process. Readers will also find up-to-date information on the rights of legal aliens.

This fourth edition covers the latest facts about preparing for the citizenship test; from reviewing U. S. history and government facts to locating U. S. district offices and understanding legal rights. The self-test sections on history and politics will prove especially useful for any student and makes for fine reference
