**Description :** Prep for the current SAT with confidence. This SAT prep was designed for the current SAT and is good until the College Board's last official SAT administration in January 2016. Kaplan's SAT Flashcards is an up-to-date, portable set with 600 essential cards to help you ace the SAT. The SAT is one of the fastest growing and most widely used standardized admissions tests for students applying to college. In 2010, a record-breaking number of students over 1.6 million took the SAT. As more students apply to college each year, competition for a limited number of class spots increases and schools can be more selective in whom they accept. Kaplan's SAT Flashcards feature: \* 600 flashcards covering question types from each section of the SAT: Critical Reading, Writing, and Math \* Review of key math topics to build foundation skills \* Challenging multiple-choice grammar questions \* Difficult vocabulary words with sample sentences to help students learn words in context In addition to providing you with everything you need to prepare for the SAT, Kaplan's SAT Flashcards are easy to use, with the three sections of the test divided into color-coded cards in an easy-to-carry box. This tool gives you everything you need to prepare for test day!
