**Description :** Whether you are preparing for SAT, ACT, IELTS, or TOEFL, all the tests can fall into one category: College Level Standardized Test. In that sense, the scoring rubrics of all the standardized tests are very similar to each other. The tests (SAT, ACT, IELTS, TOEFL, SSAT, or K 8~12 in class essay) you are preparing will measure the following three major sub-categories: Reading: How thoroughly you understand a reading passage or a question (prompt) by asking what is the central point of the argument based on the evidence you found. Analysis: Analysis measures your logic, stylistic and persuasive devices that you can commend. Writing: Writing should be holistic in its organization with precise sentence structure, flawless syntax, style, and tone. Here, in this book, students can find how Harvard students write their essays and follow their reasoning analytically with almost free of error.
