**Description :** Those who wish to pass the new Life in the United Kingdom citizenship test but don't know where to start or how to study need look no further. This book is a complete, fully updated, step-by-step study guide to first time passage of the citizenship test. Designed for adults studying on their own - especially those who do not have English as a first language - or for teachers to use as a textbook for a course on citizenship, the study guide is for people preparing for the 2013 test that they have to take for UK naturalization or settlement. The guide contains: official study material with additional information on important topics \* illustrations, tasks, and activities to help remember facts and figures \* timelines to help with dates \* advice and tips on study skills and how to prepare for the test \* a glossary to aid understanding of difficult words and phrases \* a section on the test, covering the types of questions and other information for necessary confidence \* self-assessment exercises and practice tests with answers to help check on

progress \* further sources of useful information on all the main topics.
