Description : This set of vocabulary-building flash cards presents cartoon illustrations showing visual puns with sample sentences and verbal mnemonics with definitions given on the reverse side of each card. Words and definitions are those that have appeared most frequently on recent SAT college entrance exams. The cartoons and vocabulary have been adapted from Philip and Susan Geers book, Picture These SAT Words!, which is also available from Barrons.

About the Author Philip Geer lives in Singapore where he directs Mentours, an educational consultancy that prepares students for the SAT, GRE, and other standardized tests. From 1978 until 2001 he taught English for the Singapore Ministry of Education at the junior college level.
