**Description :** The Citizens Almanac is a publication developed for new citizens. It includes information on U.S. civic history, rights and responsibilities of U.S. citizenship, biographical details on prominent foreign-born Americans, landmark decisions of the Supreme Court, presidential speeches on citizenship, and several of our founding documents including the Declaration of Independence and the Constitution.

from Goodreads:Ariadna 73 rated it with 5 stars and had this to say, "The literacy program has a variety of

tools for their students; and this book is a compendium of very simple texts about very important aspects of the USA. I read it in no time and keep it in my shelf because it helps me help my students with their literacy/citizenship skills."
