Description : Translated for people who don't speak math! The Humongous Book of SAT Math Problems takes a typical SAT study guide of solved math problems and provides easy-to-follow margin notes that add missing steps and simplify the solutions, thereby better preparing students to solve all types of problems that appear in both levels of the SAT math exam. Award-winning teacher, Mike Kelley, offers 750 problems with step-by-step notes and comprehensive solutions. The Humongous Books are like no other math guide series!
