**Description :** Immigrants come to the United States of America to embrace the freedom, privileges, and opportunities enjoyed by every American. In order to become part of the United States, along with their families, every immigrant who wants to become a citizen must learn a lot about the United states, its history and culture, its form of government and laws. This Guidebook is intended to help immigrants prepare for the naturalization examination. In this 207-page Self-Study Guidebook, you will find information on the requirements for citizenship, the advantages of being a U.S. citizen, and the duties and responsibilities of being a citizen. Sample examination questions frequently asked by the naturalization examiners during the citizenship interview are provided. They include more than 500 multiple choice, true or false and fill-in-the blank questions on U.S. history and government with answers and explanations. These sample questions are sufficient for you to pass the citizenship examination conducted by the United States Immigration and

## Naturalization Service.

About the Author The author has a Master Degree in Business Administration and has written software programs in CD Rom of the subject, which will be publish soon.
