**Description :** Every year, thousands of people from all over the world apply to become U.S. citizens through the U.S. Citizenship and Immigration Services (USCIS). If you are one of these individuals seeking the benefits of living in the United States and want to do so the right way, then dont be caught off guard during the application process when your livelihood and peace of mind may be at stake. Instead, pick up the U.S. Citizenship QuickStudy guide, a three-panel walk-through of the basics of the citizenship application process via USCIS, to help you prepare for the task ahead.
