From the Author Do you want to become a U.S. citizen? This book will help you understand and prepare for the U.S. civics test. (You will be asked 10 of 100 questions and need to answer 6 correctly to pass. All civics questions will be asked and answered orally). We've also included the 20 civics questions (selected from the list of 100 questions) that you need to know if you are 65 years old (or older) and have been a permanent resident for 20 years or more. For more information about each of these questions and answers, also see: Learn About the United States: Quick Civics Lessons for the New Naturalization Test (Learning Visions / Lakewood Publishing). The extra information is not needed for your test, but will help you understand why these questions are so important for American citizens to know. About the Author J.S. Aaron, M.S., is an experienced citizenship and English teacher, and the author or editor of 7 books to help permanent residents become American citizens.
