Like the other books in the series, it includes:(1) All 100 official Civics questions and answers for the US Citizenship Test (2011-2012),(2) USCIS Official Reading and Writing Vocabulary Lists,(3) The 20 Questions for Permanent Residents over 65 years old,(4) Important contact information and websites for more help and, unique to this

English edition only,(5) all 100 questions and answers in a flash card format for easy practice and review. As with the bilingual editions, this is an excellent resource for adults who want to learn more about the United States, and for immigrants who are preparing for citizenship. Permanent Residents will find the organization and formatting of questions easy to read and understand. These questions will test your knowledge of U.S. history and government--and improve your English vocabulary--as you study for your test. Like the other books in this series (Spanish, Chinese, Tagalog and Vietnamese), this is a well designed study resource with a unique, easy-to-read format that is particularly well-suited for immigrants who are learning English. It is suited to individual study (the paper flashcards are easily to make and use), citizenship libraries, and-along with the other books in the series-for adult multilingual, English-as-a-Second-Language (ESL/EFL), classrooms. Recommended.
